CAREER SUMMARY

- Software Developer with 1.5 years of experience in Java, Spring Boot, and Spring-based enterprise application development.
- Strong experience in designing and developing RESTful APIs using Spring Boot, Hibernate, JPA, and Spring Security.
- Experience in backend development, business logic implementation, and database driven applications.
- Proficient in Agile development environments collaborated with 5-7 member cross-functional teams across multiple Agile sprints to deliver features within planned timelines.

TECHNICAL SKILLS

- | | |
|--|--|
| • Programming Languages | : Java, SQL |
| • Backend Technologies | : Java, Spring Boot, Spring MVC, Spring Security, Hibernate, JPA |
| • API & Integration | : REST APIs, OAuth2, JWT, Resilience4j, Feign Client |
| • Frameworks & Technologies | : Spring Framework, Microservices |
| • Frontend Technologies | : HTML, CSS, Bootstrap, JavaScript, JSP, Servlet |
| • Databases | : MySQL, PostgreSQL, MS SQL Server, MS Access |
| • Application Servers & Tools | : Apache Tomcat, JBoss, Postman |
| • DevOps & Version Control | : Git, GitHub, JIRA, JUnit |
| • IDEs & Utilities | : IntelliJ IDEA, Eclipse, STS, VS Code |

PROFESSIONAL EXPERIENCE

Backend Developer Intern

Averybit Solutions Pvt. Ltd., Indore | **May 2026 – Aug 2026**

- Developed and maintained **RESTful APIs** to support front-end functionalities and backend application requirements.
- Collaborated with team members to troubleshoot and resolve **critical backend issues**, improving application reliability.
- Integrated **third-party services** to expand application capabilities and enhance user experience.
- Managed **SQL database operations** for efficient data retrieval and storage.
- Assisted in **cloud deployment** of applications to support scalability and reliability.

Software Development Intern

ThrivesUp Consultancy Services Pvt. Ltd., Indore | **April 2025 – March 2026**

- Completed hands-on development in **Java, Spring Boot, REST APIs, SQL**, and backend application development.
- Built and enhanced **backend modules** under the guidance of senior developers using industry best practices.
- Worked with **Git-based version control** and collaborated with team members on development tasks.
- Debugged and resolved **application issues**, improving code quality and maintainability.

PROJECTS

ShoeNpen – Mock Test Management System

Role: Backend Developer | Java, Spring Boot, JSP, MySQL, AWS

- Developed an online **mock test management platform** with role-based access for Admin, Teachers, and

Students.

- Designed and developed **REST APIs** for test management, user management, and result processing.
- Designed and optimized **MySQL databases** to support efficient data management and application workflows.
- Deployed application modules on **AWS**, ensuring scalability and reliable application availability.

InfraMart – Multivendor Construction & Service Platform

Role: Backend Developer | ASP.NET Core, EF Core, MySQL, React.js, Cloudflare R2, Render

- Developed scalable **marketplace APIs** supporting customers, vendors, and administrators.
- Designed relational databases using **MySQL and Entity Framework Core** for efficient data management.
- Integrated **Cloudflare R2** for storage and implemented secure authentication and authorization.
- Deployed applications using **Docker and Render** and configured **CI/CD pipelines** for streamlined delivery.

Nexa AI – Next Generation AI-Powered Chatbot Platform

Role: Backend Developer | .NET Core Web API, React.js, PostgreSQL, REST APIs

- Developed **RESTful APIs** for chatbot communication, data processing, and application workflows.
- Integrated **AI APIs** to generate intelligent real-time responses with contextual understanding.
- Implemented database operations using **Entity Framework Core** with PostgreSQL.
- Managed API models, communication, error handling, and **application performance optimization**.

EDUCATION

- **Bachelor of Computer Applications (BCA) – July 2025**
Devi Ahilya Vishwavidyalaya, Indore (M.P.)
CGPA – 6.11
- **High Secondary Education (12th) – July 2022**
Tirathbai Kalachand School, Indore (M.P.)
Percentile – 74.6
- **Secondary Education (10th) – July 2020**
Tirathbai Kalachand School, Indore (M.P.)
Percentile – 74.6
